WHY THESE PAGES WORK

People search this every week of the season

We are the answer Google picks

When fans search their team's uniform schedule, most of them click us. Last 28 days:

"jets uniform schedule"	72% clicked
"bears uniform schedule 2026"	57% clicked
"patriots uniform schedule"	48% clicked
"ravens uniform schedule 2026"	36% clicked

Readers come back before every game

Each page is updated after every game with what the team wore and what's next, so a fan who finds it in Week 2 checks it again in Week 9.

A young, male, U.S. audience

87% of site readers are in the U.S. and 70% read on phones. On TikTok, our audience is 94% male and 77% aged 18 to 44.

Growing every month

October is running about 19% ahead of September per day, and Google search clicks set a record of 2,476 in a single day on October 24.

Mock on the live page. A "presented by" strip under the headline links to your site, and the weekly "What are they wearing" box carries your name. The same treatment runs on every page in the set.

WAYS TO PARTNER

Pick the fit for your brand

PRESENTING	**"Presented by" on a set of team schedule pages** All 32 NFL teams, all 30 NBA teams, all 32 NHL teams, or college football. Your logo and a tracked link on every page, all month.
STORY	**A sponsored story** A uniform story built around your product, clearly labeled, promoted on the homepage and our social channels.
SOCIAL	**A social feature** Your brand in a TikTok and Instagram carousel or an X and Facebook post.
NEWSLETTER	**A spot in the Sunday newsletter** Sent every Sunday morning of the NFL season.

Every placement is labeled as a sponsorship, and you approve the logo, link and copy before anything goes live. Rates depend on the pages and length; reply and we'll send a quote with a mock using your logo.

HOW WE MEASURE IT

Every click is counted

A tracked link on every page

Your link carries UTM tags, so your analytics shows exactly which visits and orders came from ColorWay, page by page.

A report at the end of every month

Impressions, clicks to your site, click-through rate and promo code uses, from the same Mediavine and Google data shown here.
